Our Sincere Thanks to Cezanne Jewelers

Cezanne Jewelers is a locally owned family business with their first store opening on Main Street in 1990 (as LaBelle Cezanne).

After 26 years on Main Street they moved as Cezanne Jewelers to the corner of State Circle and Maryland Avenue.

The owners John, Genie & Khatch Baghdadian encourage you to stop by and see their new store.

Only 100 tickets will be sold. The raffle ticket is \$ 100.00 and you can purchase as many as you like and do not need to be present to win.

This is a Party with a Purpose. This year's bash supports Anne Arundel Medical Center's efforts to increase mental health and addiction programs and services. Together, we can expand access to this much-needed care.
